

GOR STATEMENT

SPARKFISH ADMINISTRATOR

This role has a **Genuine Occupational Requirement** to be filled by a committed Christian.

The Administrator is a member of a team who meet, work and pray together to carry out the ministry of SparkFish, which makes the Christian faith accessible to young people and creates opportunities for them to explore and develop faith.

The person filling this role will need to be a committed Christian as they will share with colleagues in:

- Attending team meetings to plan, discuss and pray together for the work of SparkFish
- Communicating the vision, aims and values of SparkFish in contacts with churches, supporters, schools and funders
- Resourcing activities which will give young people an opportunity to access the Christian faith, or to grow in personal faith.
- Recruitment processes involving an assessment of support for the basis of faith, aims and values of SparkFish.

The role will involve representing the Christian ethos of SparkFish to internal and external contacts.

SparkFish has a concern for the continuous professional development of its employees, including their personal spiritual development within the Christian faith.
